Change in management team at adesso subsidiary

Dr Andreas Nolte appointed spokesman for the management of adesso insurance solutions

Dortmund, 24 October 2023 – **adesso insurance solutions GmbH, a subsidiary of adesso SE, has appointed Dr. Andreas Nolte as the new spokesman for the management. Nolte, who is managing director of another adesso SE subsidiary, Afida GmbH, will succeed Oliver von Ameln.**

Nolte will join the leadership team of adesso insurance solutions GmbH with effect from 1 January 2024, taking on the role of spokesman for the management. A mathematics graduate and actuary with a PhD in computer science, he became managing director of Afida GmbH in early 2023 and has been in charge of the company's runoff business based on the in|sure platform. Nolte previously worked for the Allianz Group for many years, ten of which as CIO. He succeeds Oliver von Ameln, who is leaving the management of adesso insurance solutions as part of a reorganisation.

Nolte will remain managing director of Afida GmbH. In addition, Frank Wittholt will move up to the senior management of Afida. Wittholt, a former spokesman of the Executive Board of ERGO Lebensversicherung, has held executive responsibility at Afida as Head of Sales and Marketing since April 2023. He has extensive expertise in life insurance, runoff business and third-party administration (TPA).

"We are delighted to have Andreas Nolte on board," says Mark Lohweber, member of the adesso Executive Board responsible for the Insurance and Banking business area and CEO from 1 January 2024. "He is an experienced industry expert on the IT and end-user side, who will drive forward the further expansion of adesso's product and software-as-a-service solutions both nationally and internationally. We would also like to thank Oliver von Ameln for his excellent work in building up the business over the past years."

adesso insurance solutions GmbH

The software company adesso insurance solutions, a wholly-owned subsidiary of the listed company adesso SE, develops and implements standard software for the international insurance market.
